SUMMARY

My name is Arpita Bhatt.I'm currently an IT undergraduate at GL Bajaj Institute Of Technology And Management,Greater Noida. I am always keen to absorb new skillset and face new challenges.I'm a type of person who believes that everything in this world can be achieved with hardwork blended with rich enthusiasm. I'm skilled in C/C++,HTML,CSS3, JavaScript,MySQL,AWS,Express,Node.js, WordPress. I'm passionate about open source projects.I love building new things and learning new technologies.

KEY SKILLS

Web Designing

Problem Solving

Communication skills

PROFESSIONAL EXPERIENCE

Tutedude - Greater Noida, IN   Aug 2021 - Present

Summer Intern

Tutedude is an e-learning platform by IIT Delhi alumni that allows students, graduates, young professionals, entrepreneurs and "anyone with the curiosity to learn" to create an online learning ecosystem that fits their need and industry demands.

It is a beautiful experience where I'm interacted with so many people.Learning about the societal problems and the ways to overcome them.

Robert Bosch GmbH - Greater Noida, IN   Jun 2021 - Present

Bosch Student Campus Ambassador

Robert Bosch GmbH, commonly known as Bosch, is a German multinational engineering and technology company headquartered in Gerlingen. The company was founded by Robert Bosch in Stuttgart in 1886. Bosch is 92% owned by Robert Bosch Stiftung, a charitable institution.

In this internship program I'm allocated to one mentor who briefs me about my roles and responsibilities of work. Overall, it is a good experience I'm getting many new opportunities and many chances to learn new things. Also, I will get chances to represent my college at various platforms.

Google Developers Student Club - Greater Noida, IN   Aug 2020 - Jul 2021

Core Team Member (Tech Web)

Being a part of such designated club at my college was really a wonderful experience.I am always keen to absorb new skillset and face new challenges.I explored a lot about people,technologies and community problems.
